Subject: [teamLab Planets TOKYO] Ticket Purchase Completion Notification
Date: 5 September 2026 at 17:38
To: christian.petrucelli@gmail.com

Dear Petrucelli

Thank you for purchasing online QR tickets from the teamLab Planets TOKYO Ticket Store.

【Important: For those coming from Ginza Area】

Dedicated Shuttle Buses (with a fee) are available between GINZA SIX and teamLab Planets.

Shuttle Bus (with a fee): <https://x.gd/bvnE3>

*Currently, there is significant congestion on the public buses from Tokyo Station, Ginza, and Tsukiji towards Shin-Toyosu.

Please consider using other public transportation methods to visit.

Access Guide: https://teamlabplanets.dmm.com/en/guide/access_method

Please check whether the QR code can be displayed using the URL below.

*The QR code will be displayed after 0:00 on the day of admission.

My Tickets: <https://teamlabplanets.dmm.com/en/mytickets/0149d6a9c375d13ab6>

*Presenting this email does not permit admission to the venue. Thank you for your understanding.

*You can change the admission date and time up to 3 times, no later than 2 hours before the admission time, using the "Change admission date and time" button on My Tickets.

*Please be aware that you cannot change the admission date/ time for tickets purchased through coupons.

*If there is difficulty reading your QR code on the day of the event due to a cracked screen or other issues, please contact the nearest member of staff or the support desk.

Please confirm the usage guide after purchasing tickets online

[For those who wants to enjoy teamLab Planets TOKYO more]

- Vegan Ramen UZU Tokyo

Vegan Ramen UZU Kyoto has been featured in Bib Gourmand in the Michelin Guide Kyoto and Osaka for four consecutive years.

You can eat this ramen exclusively at teamLab Planets in the Tent or Wisteria Cherry Tree areas, and in the artwork space Emptiness Table.

See more

<https://vegan-uzu.com/pages/uzu-tokyo-en>

- teamLab App

Understand Deeply and Enjoy More

We have prepared a guide app that allows you to read the concepts of the artworks near you.

Create the Artwork with Others

In The Infinite Crystal Universe, you can participate in the art using this app. You create the artwork with those around you.

Download the app for free

<https://planets.teamlab.art/tokyo/#app>

- Distributed Fire

Light the Flame

When you launch this app and approach Universe of Fire Particles Falling from the Sky, your flame will ignite and you can take the artwork home with you.

Share the Flame

If you approach other people with the app, you can share your flame with them.

Download the app for free
